## Task 5

Dear granny,

I've found myself missing you ~~quite~~ <sup>pretty</sup> often lately, so I decided to write you a letter to tell you about my life in the camp.

As you know, it is a scientifically-oriented camp, so I have to listen to many lectures and complete a lot of assignments daily. I have no <sup>leisure</sup> ~~spare~~ time at all! Today I <sup>am</sup> ~~studying~~ <sup>am</sup> ~~in~~ <sup>ing</sup> moss with my friend Tim. We collected it yesterday in the forest and I enjoyed it a lot. The forest is magnificent and picturesque and I can't wait to explore its flora and fauna once again as tomorrow we ~~are going~~ will make a short trip there and sleep in the woods! I am very excited about it, but, unfortunately, I have a test on microbiology this evening. This is crap!

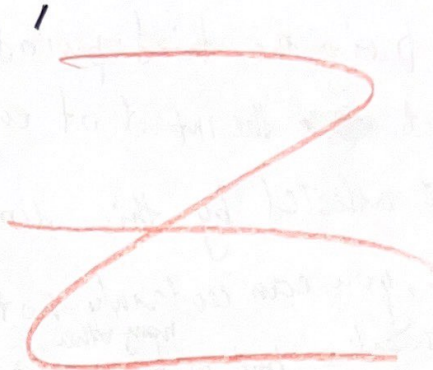

Though I really enjoy it here, I do not feel emotionally comfortable. I crave for family warmth and support, so I miss you a lot. My friends ~~do~~ do not like talking about feelings and that is tough. Can't wait to hug you <sup>as you make me</sup> ~~as you~~ <sup>feel better</sup>. I also wanted to ask you to bring me a tent, my favourite teddy bear and my microscope. They'll be essential during our trip.

Love you,  
Harry

~~we were~~ promised that tomorrow we will take a  
 short trip to the mountains to see local species of  
 mosses! Unfortunately, it's not always as interesting as

 to accomplish three monotonous and boring ~~work~~ <sup>work</sup> exercises.

Though I really enjoy it here, I do not feel emotionally  
 comfortable and I ~~crave~~ <sup>miss</sup> for the warmth of my family's love.  
 Sometimes I wish I were ~~at home~~. I also wanted
