Hi Dad!

Sorry for not writing ^{to you} sooner - I'm very busy here at ~~camp~~ ^{art} camp! I just wanted to write a letter to tell you everything about this awesome place.

My normal day goes like this: we wake up at half past nine, an hour later we have breakfast and then everyone can choose an activity to do, like sports or board games, or a workshop, or even a quiz or a talent show. ~~After~~ After that we have lunch and some free time. In my free time, I usually read books or just wander around the premises. In the evening, we go swimming in the sea. We have dinner outside and before going to bed we sing songs or ~~eat~~ fry marshmallows by the fire. At night, if we aren't too tired, we tell ^{each other} scary stories or just gossip.

The camp is ~~located~~ on the coast and the nature around me is wonderful. It's really green and there are ~~many~~ beautiful butterflies flying around. The sea is also really clean and full of ~~color~~ amazing fish and other creatures like hermit crabs. The weather is really nice, too - although ~~the~~ the sun shines way too bright at times, it's never too hot. I usually don't get along with others, but, to my surprise, I've managed to make a few friends. ~~I think it's~~ ~~because everyone here is friendly~~ Not everyone here is so great, though. Some younger boys tease me a lot, but I think I'm ~~not~~ mature enough to just ignore them. ~~But~~ But sometimes

they're just so annoying! Right now, as I'm sitting on a bench and writing this letter, they are hiding in the trees and screaming in funny voices just to get on my nerves!

Yesterday me and some other girls went hiking in the ~~hill~~ nearby hills with one of the ^{forest} rangers who work at the camp. He showed us the footprints of wild animals and we even caught a glimpse of a snake! It was not poisonous, to our relief. The hike was great, but I ripped one of my boots when ~~my~~ my foot ~~was~~ got stuck in a bush.

Tomorrow we're going scuba diving! I'm really excited because I love the sea. I think I'll see a lot of fish I never noticed before. I'm going to take out a library book on local sea inhabitants to prepare myself for the dive.

It's perfect here, but I really miss you and Mom. I also miss ~~my little sister~~ - I hope she's okay! I think I'm going to ~~call~~ hug her for a very long time when I get back. Also, it may sound silly, but I miss junk food. Everything here is too healthy - I just want to grab a burger and a can of cola!

I'm ~~not~~ looking forward to ~~see~~ ^{seeing} you this Saturday. If it's not ~~really~~ hard for you, could you please bring me my sunglasses? I ~~left~~ left them at home and ~~it's~~ ~~my~~ ~~sun~~ the sun is extremely bright here. I would be also grateful if you ~~buy~~ bought me a new pair of boots instead of the one I ripped. And a can of cola, if you don't mind!

See you soon!

Best wishes,

Mary Sue
