Hello, mom. I'm writing to you from my grandma's house to tell you how I'm feeling, and what this village is like.

So, I'm ~~temporarily~~ living in grandma's house. It's neither small nor big, average, I'd say. There are two bathrooms: one's outside the house and the other one's inside. There're also a kitchen and two rooms: a living room and a large bedroom.

Grandma loves sleeping and she does that most of the time. Grandpa does that, too.

The house's located in the village but behind its ~~backyard~~ backyard it's just

forest and ~~nothing~~ <sup>out there</sup> else. It's beautiful and sometimes my grandparents and I go for a walk in the forest.

I often play with my grandparents' cat and that makes me feel happier. But grandpa sometimes makes me help him in the garden and that is impossibly boring.

During the day I read books, watch TV series and ~~do~~ do the choir as grandma asked me to. I miss the food you cook. ~~It's~~ ~~so~~ ~~delicious~~. Unfortunately, grandma's not so good at cooking.

I miss you as well because I love talking to you, mom. ~~I wish you could come here and~~ I can't wait to see you. And as I have said already, please, take my medicines, pillow and computer when you come.

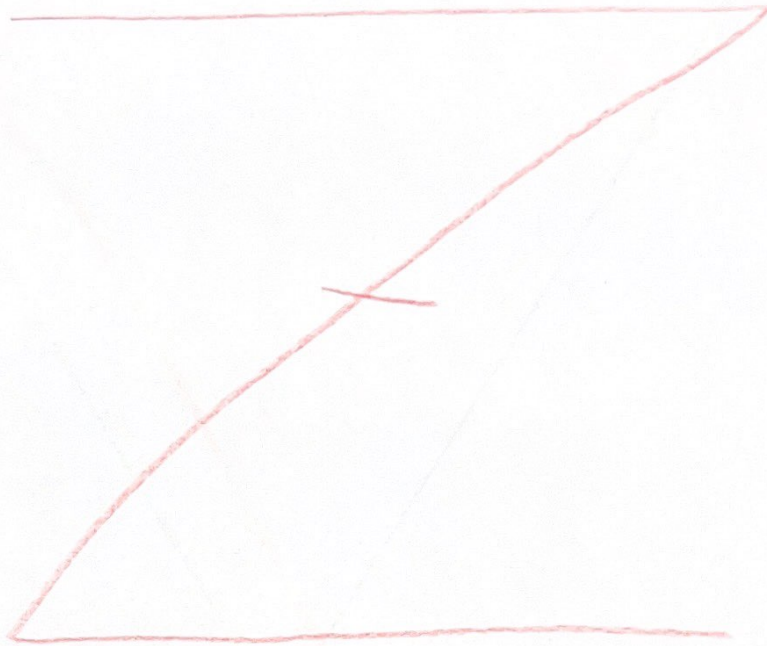

love,  
Peter
