Book 5

Dear mom,

I miss you so much! Ever since you ~~left~~ left me with grandma at the beginning of summer I've been having lots of fun, even though she lives in a village in the middle of nowhere, so I'm writing ~~you~~ to tell you all about it.

The best thing about summer is that you get to sleep in. However, that's impossible here, since roosters start shouting early in the morning, so I usually wake up somewhere around ~~7~~ seven o'clock A.M. After completing my morning routine (brushing my teeth, eating breakfast) I go out with my friends, who are local kids of my age. We sometimes swim in the lake, go fishing or go to the forest to ~~at~~ either play hide-and-seek or pick berries. After that I return home and eat dinner.

after which I usually read a book until evening. ~~Часто~~
Then I go to bed.

You wouldn't believe how beautiful the nature around here is! The forest is emerald green ~~with~~ with lots of birds and animals ~~scrambling~~ scurrying around. ~~It even~~ Once, we even saw a moose from afar! The lake is pretty ~~too~~ and it's full of different fish. The water is warm and clear, which makes it very pleasant to swim in. Usually I'd be there right now, playing ~~with my friends~~ volleyball with my friends, but it's raining, so I'm writing a letter to you. I wanted to tell you about the locals as well. They are so nice! ~~But~~ The old man who lives ~~there~~ ~~won't believe~~ across gave us a basket full of ~~the best~~ apples from his garden, and for free no less! They were ~~also~~ delicious and sweet.

Yesterday nothing much happened. We went to the ~~lake~~ lake, as ~~usual~~ usual and spent some time there fishing. Unfortunately though, we caught nothing. So instead we swam for a bit, and the guys started throwing sand at each other. When they calmed down, we went home. Today I wanted to help grandma ~~with~~ with the garden, but since it's raining, I'll do it ~~tomorrow~~ tomorrow. We are going to mow the lawn, pick the strawberries, raspberries, apples and pears. I'll also help her with ~~the~~ the animals. I'll have to milk the cows and feed the chickens. Sounds like a lot of work!

~~What~~ ~~like~~
Even though country life is very fun and active, it's also very tiring, so I miss the city life a bit. I can't wait to get back to my room and log onto my computer! ~~But~~ I miss ~~going~~ moving around by car ~~instead~~ instead of by bike or on foot as well. Of course, I miss you and dad very much! ~~Can't wait to see you~~

~~My~~ Mom, I can't wait to see you! ~~Waiting for~~ I'm ~~wanting~~ waiting for your return. Could you please bring with you some more ~~short~~ shorts and ~~tee~~ T-shirts? ~~It~~ It's hotter here than I expected. Bring a swimsuit with you as well! Another problem ~~is~~ here, is that they have no coffee, ~~so~~ so it's really hard for me to wake up in the morning.

Could you also bring my guitar as well? I promised to play for my friends, but none of them have an instrument at home! Thank you in advance!

OK

With love,
Julia

Dear mom, ~~my mother~~

Ever since you've left me ^{with grandma} ~~out here in the sticks~~ ~~village~~ at the beginning of summer, I've been ~~extremely bored~~ having a lot of fun, ~~even~~ even though she lives in a village in the middle of nowhere. So I've decided to tell you about ~~the~~ the way ~~to~~ I spend my days here!

The best thing about summer is that you get to sleep in. However, it is impossible here, since the roosters start screaming early in the morning, so I usually get up somewhere around seven a.m. After that I stick to my morning routine (brush my teeth, eat breakfast, etc.) and after that I go out with local kids, ~~from the~~ with whom I've become friends! Sometimes we go fishing
