Dear mom,

It has already been a week since I left home. I like the city and the hotel very much! I have a lot of things to tell you.

I think New York is the most beautiful city I've ever visited. It's usually sunny and a little windy during the day. I also made some friends in the gym. My neighbours are quite noisy. One time, they turned the music on at 5 a.m.!

During the day, I usually walk with my friend, visit different places, go to the gym or stay in the hotel. When I stay

in the hotel I practise on my violin, I enjoy ^{practising} ~~about it~~ and I think I have a good result. The sad thing ^{is that} I can't play it very often, because I annoy one of my neighbours. I really miss my room. I played my violin for the whole day and nobody said a word ~~at~~ against it! I miss you and dad too, because you always support and help me ~~to~~ when I need it. I have some problems with my neighbours and I wish you were here right now.

I hope you will arrive soon and don't forget to take some books with you. Sometimes it's getting really boring in the hotel. Also, take my scarf and gloves with you. I regret not taking them when I was packing. Moreover, I think I forgot my favourite shirt. Find it please and take it with you. Thank you.

I got to go to the gym now. I'll be ~~waiting for~~ looking forward for your letter.

Love,
Milana.
