Dear Granny!
I am writing to you while all of my friends are out playing and laughing, however I really miss you, so I decided to stay in my room and write this letter.

I'll start off with my usual day in this summer camp. We always have to wake up at 8:00 AM. I am okay with this as I like waking up early. After waking up we tidy up and get ready for breakfast. As soon as breakfast is over we usually have some kind of sport marathon, to start the day. You know your granddaughter, I hate sports! However I really like always take part. I love a big team, so I have almost always take part. After lunch we have our indoor clubs. I love being in the theatre just like I do! When dinner is over who love theatre just like I do! When dinner is over we sometimes perform in front of the entire camp! It's quite nerve-racking, however I love being on stage. In fact, tomorrow we will perform our newest play! I'm pretty sure that I get the play that's right, Juliette! I'm remember you telling me about your high school musical. In which you also played Juliette.

Yesterday I got in a bit of a fight with my best friend. I was very angry and said a lot of mean things to her. We didn't speak to each other the entire day, but I remembered your words in the evening, that you should never go to sleep while being angry at your loved ones... I went to my friend's room and apologised to her. We talked it out and both cried. I'm very glad that I took your advice. I'm going to go and play 'Uno' with her right now, so I'd better finish this letter.

I really miss you and our heartfelt talks. I also miss our dog. Even though I love it here, I still can't wait to go home before I forget, could you bring me some extra socks, next time you visit? I would also love some snacks and send more shampoo. I can't wait to see you and show you the camp. I've got to run, write back soon!

Love, your granddaughter. XX
