~~Museums play a big~~
Museums take a big part in modern culture. Many people
from different countries visit museums everyday. And it is
important not to only visit your local museum, but learn some
new information about cultural heritage and important museums
of the other countries. //

I think that this event and its activities will be interesting
for 9-14-year-olds. It has a lot of different activities that
can attract children with different interests. In my opinion,
some aspects of this event is uncomfortable. I don't think that
every children will be ready to spend right at in the Ancient
Greece gallery. I think that some of them will prefer their home. //

I would like ~~you~~ to introduce ~~you~~ my own event. The topic of it is
Russian traditions. The idea is to present ~~children~~ a historical variety
of my country. The title is "Awesome Russia". This event will be
organised by State Moscow Museum for 9-16-years-olds. //

методик 3.

This event contains several activities such as excursion with guide, ^{visiting} visiting an exhibition. There will be some interactive activities with children.
