~~The role of museums in the modern culture of the world starts to become a relic of its past fame. If for example, if you ^{had been} invited by someone to ~~go~~ for a trip into a museum you ~~would~~ ^{might} have been excited and thrilled to see new exhibits compared to if it happened nowadays, the reaction would be mixed. However, many people do not view museums as a form of self-education, which is which is the main purpose of the concept itself. The Analysis of Modern Museum Exhibitions. 528

The role of museums in the modern culture in the world has become a relic of its past fame. People view them as old-fashioned, and thus "pot-entertaining". However, the main purpose of museum is ~~not~~ ^{educating} ~~education~~ ^{its guests} ~~educating~~. For ~~To~~ ^{To} know the culture of one country and its heritage you need to visit the places ~~they are~~ ^{could} where seeing them in real-life is possible, such as museums. ~~But~~ The details of the culture can be carefully examined this way.

This essay will analyse the educational and entertainment-related aspects of one of new exhibitions at the British Museum. The theme of the exhibition is currently trending in the mainstream media, ~~which makes~~ ^{it} means, this exhibition will ~~have~~ ^{be} popular and interesting.

Умновукч,

to its audience.

~~Firstly~~ ~~the name of the exhibition~~ ~~secondly~~ ~~secondly~~, the name of the exhibition can be confusing. It welcomes the reader at Japan, yet states in the end that the museum is located in London. Moreover the title is too long, which means it is not as attractive and thrilling as it could have been.

Of course, ~~the main~~ ^{an important} quality of ~~the exhibition~~ ^{an} is how ~~of~~ ^{for} appropriate it is for the mentioned age group. As it was said earlier, the theme of the exhibition is popular ~~among~~ ^a among people, especially ~~older children~~ among older children and teens. Also, this age group loves interactivity, which is involved in the activities mentioned in the description.

And lastly, the ~~convenient~~ ~~convenientability~~ ~~comfort~~ ^{convenience} of the organization of the exhibition. It starts ~~at~~ ⁱⁿ evening and ~~and~~ the visitors are meant to stay there until the next day. It can be very ~~unconvenient~~ ^{unconvenient} uncomfortable for some.

To sum up, due to the popularity of the exhibition's theme the knowledge about ~~the~~ ^{the} Japanese culture can be shared to young people. I can ~~recommend~~ ^{recommend} it to my peers and friends. They will ~~be~~ ^{be} The ~~best~~ ^{best} most entertaining aspects of the exhibition are drawing, dancing, cooking and crafts.
